Exhibitors are coming from Pennsylvania, Kentucky, Indiana, Ohio, Illinois, Wisconsin, and of course from all over Michigan. In fact, many of the exhibitors are also regulars at the outdoor Shipshewana Auction & Flea Market in Indiana over the summer.

Here are a few
of the vendors
and their products
who will be there in Mt. Pleasant...

Kelly Coin

Creations By KelStar

Creations by Kelstar are handmade fused glass pendants in a variety of colors, shapes, sizes, and detailed stenciling. A variety of different glasses, decals, and shapes are used to create unique pendants. Beautiful pieces are created with "end of day glass" which is scrap pieces leftover at the end of the day. Working with dichroic glass and stencils allows the artisan to replicate some pieces. The pendants that can be reproduced are not identical - due to the process in which the glass is fused, there will be slight variations.

Kathy Brooks
LIVE LOVE LAUGH L'DARA

Age with exuberance! To be honest, Kathy can explain this amazing product way better than we can in the space available here. Suffice it to say, Kathy wants you to experience this breakthrough discovery for younger looking skin. She'll also tell you how you can use L'Dara to create an opportunity for personal happiness.

Next weekend, Kathy Brooks will have all the information you could ever need--plus this product will be available for purchase--all at our show at the Soaring Eagle in Mt. Pleasant, MI.

Stephanie Pollitt
AVON Products

Need a little makeup to show off your new age-defying skin? Stephanie has you covered.

95 Years before the first woman was appointed to the U.S. Supreme Court ... 77 Years before the first woman traveled into space ... 76 Years before the first woman took the reins of a Fortune 500 company ... 34 Years before women in the U.S. had the right to vote ... 17

Years before the first woman won the Nobel Prize ... Avon offered women the opportunity to be CEOs of their own businesses and control their economic destinies.

Avon has been empowering women for more than 125 years. Why not reward these efforts by shopping with Stephanie this weekend ?

Mike Kimberling
SKY THUNDER LLC

Not to give the impression that Shipshewana On The Road Gift and Craft Show is all jewelry and skin care, check out these bad boys: Scooters, ATV's, four wheelers, and helmets.

All of Mike's recreational vehicles (Aw heck, who are we kiddin'? They are toys for grown-ups!.) are set at VERY affordable prices. Fun for the whole family, he's got something for everyone.

Skip Harper
SUPERCLEANS

SUPERCLEANS gets out stains even when they have been there for years. SUPERCLEANS is a dry foam cleaner that comes in the form of a powder. It is safe to use on colorfast oriental rugs, indoor/ outdoor carpet, and all types of carpet. Pet stains and odors are eliminated from carpets and furniture. Pet stain removal is fast and easy with no soap residue to track back the stains. It works when and where other cleaners wouldn't. Plus, by buying it in-person at Mt. Pleasant, you can avoid shipping and handling charges.

Steve Hildreth HORSE SHOE DESIGN

Well, well... how about these unique items?

Steve makes art out of horseshoes. These horseshoes come from ponies to race horses and different horses. Please take a look. Steve has been making horseshoe art for the past several years. As you can tell, he puts a lot of time and pride in his work. He also makes special orders, if you have an idea.

..... And finally, don't forget, there's **NO SHOW THIS WEEKEND**, but we will see you **the following Saturday and Sunday in Mt. Pleasant, MI** with all of these booths and hundreds more.

See you and all your BFF's there, right?
